

**Pledge of Support to Sri Saibaba Mandir**

Sri Saibaba Mandir sincerely thanks you for your support over the years. Sri Saibaba Mandir has been a place of Sai worship for Saibaba devotees of Twin Cities, and devotees visiting from other parts of Minnesota, and other States. Mandir is working towards meeting the needs of growing number of devotees visiting Sri Saibaba. Over the past year, several options to expand the existing building and the adjoining lot were discussed with the architects and engineering professionals. Constructing a larger building for Saibaba Mandir is identified as the best solution that meets all needs of the devotees. Currently, efforts are underway to purchase a 42-acre land in Chaska, MN for building new mandir for Sri Saibaba.

Sri Saibaba Mandir's growth is based on the resources provided by Sri Saibaba in the form of support of Sai devotee community. The amount saved over the past years is helpful in meeting the expenses associated with down payment for land purchase. However, we will need more finances to meet the land purchase expenses in addition to the maintenance of the mandir. Sri Saibaba mandir seeks your support for this cause. Kindly make a monthly financial contribution towards Sri Saibaba mandir by filling out the pledge form below and hand it over to the mandir priest Sri Aswini ji, or one of the volunteers. Your monthly contribution can be made by writing a check to Sri Saibaba Mandir or safely online by visiting [www.hamaresai.org](http://www.hamaresai.org) by the 15<sup>th</sup> of every month. Every contribution is sincerely appreciated. Please note that all financial contributions to Sri Saibaba Mandir are tax deductible to the extent allowed by the State and Federal laws.

Please contact the mandir volunteers if you have any additional questions or need more information.
